The \$ amount and payment methods to be posted on the website. Motion to approve made by Steve Perry, 2<sup>nd</sup> by Becky; unanimously approved.

**Committee Reports:**

- **Maintenance Committee** - Jim Feehan: Motion light at the upper package locker needed to be replaced. It was under warranty so there will be no cost to replace it. The part has been received and will be install as soon as possible. Waiting until the 15<sup>th</sup> for the bid on the generator project. Greg reported he had read the meters for both wells. From January 2025 to January 2026 the Buck Well has used 67,570 gallons; partly due to Fire Department use for fire suppression this year as well as training. Allotment is approximately 110K gallons. Round up well used 17,760 gallon. Allotment is approximately 300K. Suggested upgrading the well next to the Fire Department so the water usage can be shared between both wells. Greg, would like any questions regarding the wells sent to him so he can address them personally. Motion to approve made by Steve Perry, 2<sup>nd</sup> by Becky; unanimously approved.
- **Roads Committee** - Steven List: Worst roads were identified and will be done first. The contractor, Silver Griffin will begin work on the week of January 19<sup>th</sup> or 26<sup>th</sup>. They plan to be here a week, at least 8-9 hours per day. Will reassess the roads again in the spring and again in the fall. Have not received permission to use the Fire Department equipment to clear some of the culverts. Allen to contact Megan. Jerry was concerned that maybe not all roads would be graded at least once per year. Steve assured him that all roads would be graded at least once per year. Motion to approve made by Jim, 2<sup>nd</sup> by Becky; unanimously approved.

**New Business:**

- Proposal to Amend the Voting Rules Resolution: Jerry Fowler – Moved to next meeting
