

Johnny Valdez

My name is Johnny Valdez. I currently own property on the Wild Horse Subdivision and I've had that property for a number of years, and would like to accept the nomination as a board member of the Wildhorse subdivision land owners Association. I am lifelong resident of New Mexico and have lived in the Grants area since 1983. I have raised a family of three who have each left home and made lives of their own. I have had a lifetime career in criminal Justice. I started my career in 1983 as a law-enforcement officer in the Village of Milan and through the years have graduated to retiring as the Sheriff of Cibola County for the last 12 years I've been working for the judiciary as a Magistrate Judge in Cibola County and have just recently retired to potentially pursue a position on the New Mexico House, State Representatives, and therefore I feel I would have plethora of free time to dedicate the association and be an active participant and voice for the land owners of Wildhorse.
