

Jon McGuire

To whom it may concern: My name is Jon McGuire and I was born and raised in New Mexico in and around angle fire, Albuquerque and Pie Town. I love the wilderness and the wide-open spaces. I recently bought land in Wild Horse in the hopes of building a house and having another place to call home in the piece and quiet. I have family ties in Pie Town and that's what drew me there. I think that the land that we all share should be protected for all to enjoy. I would like to keep Wild Horse a wild and peaceful place for all currant residents and the future. Thank you, Jonathan Mcguire.
